

Thank you for being our neighbor!

NOTIFICATION OF UPCOMING SERVICE DISRUPTION

Leadville Sanitary Collection Replacement

The Leadville Sanitation District is in the process of replacing the sanitary collection system in your area. This notification is provided to inform you of upcoming sanitary and water service outages at your property that are necessary to complete the sanitary system improvements. Service outages will be required daily during work hours, and service will be restored for use during non-working hours and weekends.

Anticipated dates and times of service outages/disruption for your property are provided below.

Dates of Service Outage/Disruption: 6/5 to 6/14

Time of Service Outage/Disruption: 7:00 AM to 5:00 PM

Curious about the construction happening on Leadville's streets and how it might affect your residence?
